1974 FOOTBALL SEASON

The season was not a good one as far as games won but there was a steady development of the team from August when the season began to the end of October.

Several games were much closer than they appeared. Winning the final game of the season definitely provides the incentive to do well next season.

As a coach I also witnessed an attitude change from the beginning of the season to the end. The team came into the season with a losing attitude towards the game but by the end of the season that winning spark was there. I look to the 1975 season simply because of the development of a winning attitude by the end of the season.

Coach Ralston

JR. HI FOOTBALL

Our Coach: Mr. Skyberg!!

Jr. High Football team though starting with a 20-0 victory at the opening of the year failed to produce another victory through the year.

Lack of confidence and experience were the rough spots says Coach Skyberg.

Key players were Craig Gernundson, Jon Kroke, Jon Bjornstad and Todd Peterson, on offense. On Defense the top personal were Dean Lindvall, Tom Varty and Jeff Burkland.

Ah, come on now . . . give me the ball!

Run for the hills!!

No, No. Please don't tackle me!!

"Well, that's life. That's what all the people say. You're riding high in April . . . shot down in May. But what ever changes come . . . just the same I'll pick-up the pieces, and get back in the game!"

Frank Sinatra
"That's Life"

The 1974 Bombshells set a goal. That goal was to reach the Minot State Tournament. Riding 14-1 into the Regional Tournament made the goal seem real . . . until we were shot down. But we'll pick-up the pieces and get back in the game. Our goal;

MINOT 1975!

The won and lost record of the McVille Blackhawks for the 1974-75 season, I can say without any reservations, was terrible. But I can also say, we accomplished some of the things that we set out to do and hope that these goals of the years to come. I want especially to thank the three Seniors for their full cooperation during the long season.

Jerry Enstad, Coach.

BOYS' TRACK

Although the spring was wet, and there was a discrepency of the players personalities clashing with the coach's causing some talented personnel to quit, the track team showed to be very promising and coach Skyberg said he was nothing short of proud of his team.

The high spot that won't be back is Paul Loftus. Ace sprinter, and 440 man.

Returning are Duane Naas, Jeff Kroke, Brian Bakke, Todd Peterson, Kieth Quanbeck, and Steve Varty.

The 2 mile relay was the main hope for the year breaking the old school record of 10:00.8 and bettering it considerably at 9:39.6.
